

# Splashbacks

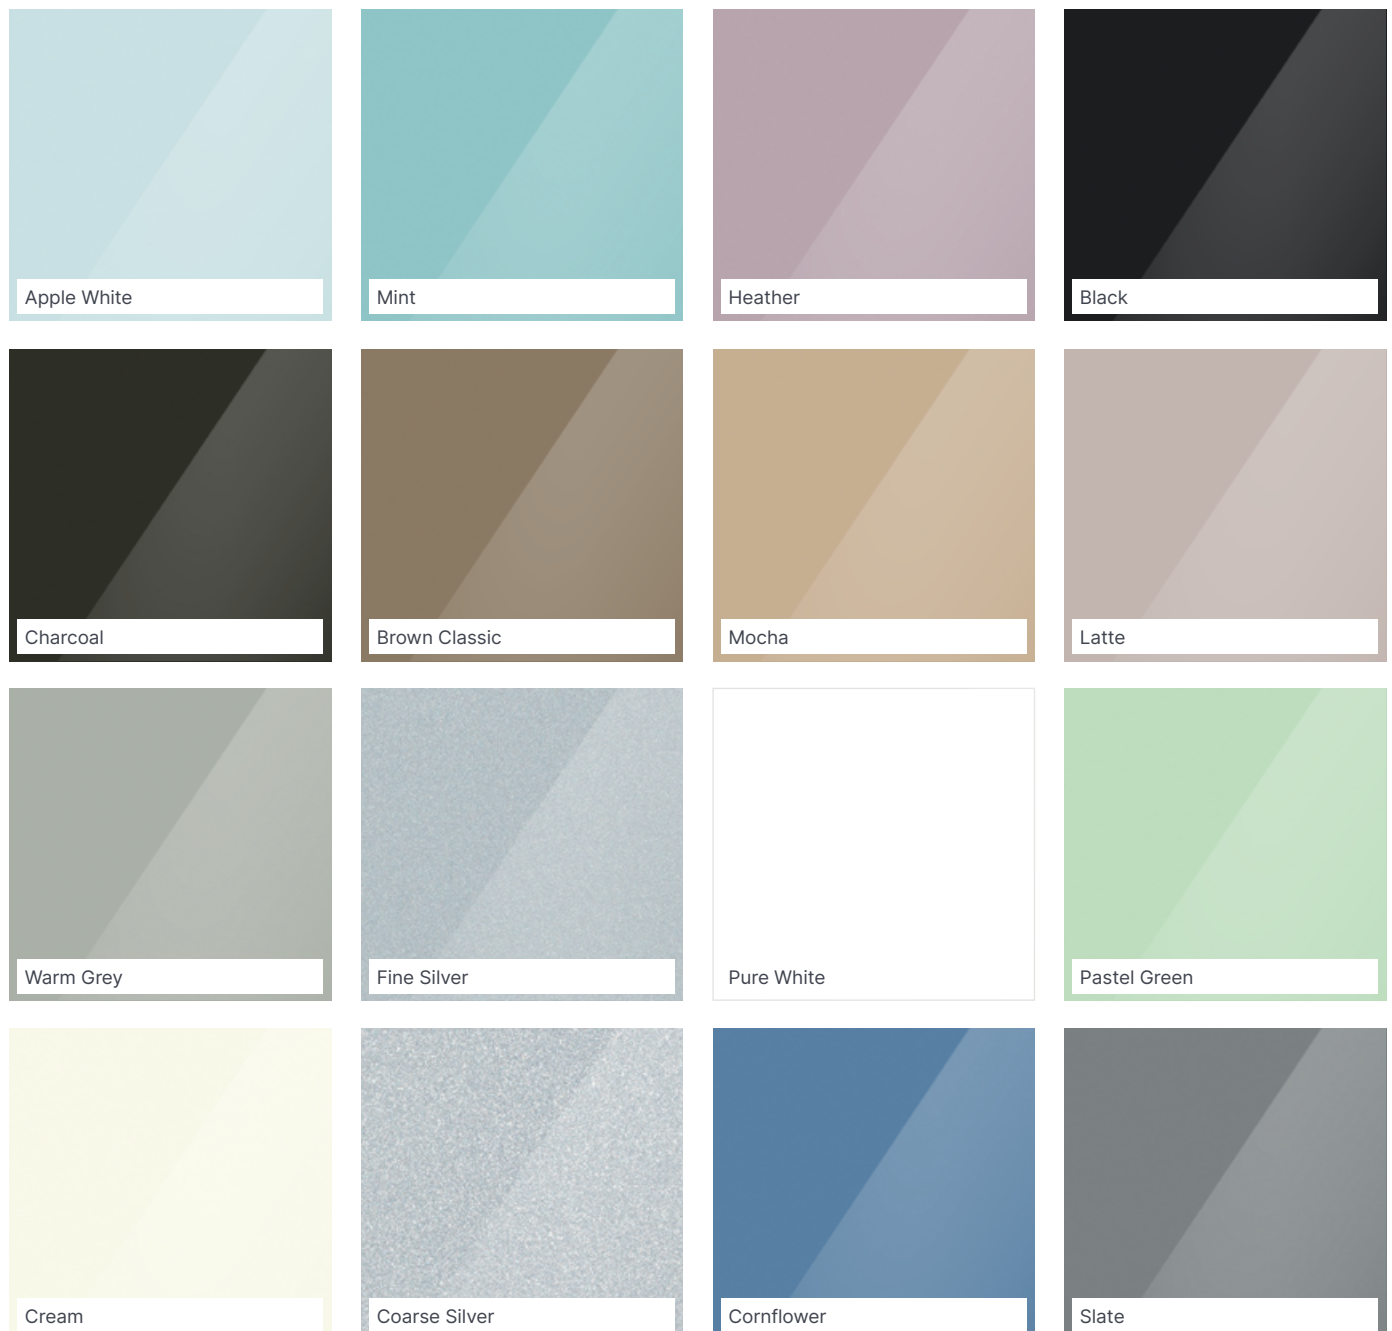

Splashbacks can be fitted just behind the hob area or make to measure for your own kitchen space.

## Gloss Glass

Infuse your kitchen with modern elegance: stainless steel and glass splashbacks effortlessly combine functionality with a reflective brilliance that enhances natural light.

Splashbacks can be fitted just behind the hob area or make to measure for your own kitchen space.

## Satin Glass

Engineered for both style and substance, splashbacks provide a hygienic, easy-to-clean surface that withstands the demands of a busy kitchen.
